SCHOTIME

DANCE CENTER

At Schotime Dance Center, it is very important to be dressed appropriately for each dance class you take! Just like you wouldn't wear a tutu to soccer practice, we would prefer you save your soccer uniform for the field! Likewise, the same thing you wear to jazz class may not be appropriate for ballet class.

Dressing appropriately gives dancers confidence! It helps teachers better see body lines so they can help you become the best dancer you can be. Scroll to find your dancers' dress code according to their program.

Inclusivity: One of our goals with our dress code is to be inclusive of all skin tones. For classes where it is appropriate for tights/shoes to match skin tone, we welcome dancers to choose an option that best matches their skin tone. More dance brands are beginning to offer a better variety to match all skin tones, and as we discover more options from these brands, we will share and update our listing.

DANCE WITH ME

Dance With Me Program (Child with a caregiver)

Child: any comfortable clothing including dance wear, onesies, shorts, leggings, sweatpants, etc. Hair pulled off of face.

Barefoot, or any soft dance shoe. Socks are allowed but use caution as it may be slippery for your dancer.
