+ Our PreScho Level 3 class starts at age 3, they must be 3 by October 1st to be in that class. The only current exception is our Thursday AM Level 3 class we allow 2.5 year olds who are ready to dance on their own to join. PreScho Level 3 is generally for 3 year olds, level 4 is generally for 4 year olds and so on. However, there is overlap between levels.

The PreScho level 5 class is recommended for 5 and 6 year olds who have never danced before and are brand new to the studio, including kindergartners. The K-1 SchoKids classes are recommended for kindergartners who have danced in our PreScho program already.

****Caregiver must be separated from the dance room for all our Pre-Scho classes. If you'd like to be in the room with them, we suggest trying the Dance With Me program before graduating to the Pre-Scho.**
