+ PreScho Level 3 enrollment requires dancers to be 3 by October 1st. PreScho Level 3 is generally for 3 year olds, level 4 is generally for 4 year olds and so on. However, there is overlap between levels. No guardians are allowed in the dance room for any PreScho class, however we have viewing windows to watch. If your dancer is not 3 by October 1st and you'd like them to take a class independently, we recommend taking Dance With Me and letting the teacher know you'd like to be evaluated for readiness to join a PreScho 3 class.

ENCORE Performing Company and Competition Team

If you're interested in our Encore Competition Team or our Performing Company, please contact us for more information. The Encore Team is a year long commitment, starting with placement auditions in June, 2024 and completing with the annual recital in June of 2025. The team will attend at least one convention and four regional competitions in the Denver area. Members are required to take a minimum of 5.5 hours per week of class and rehearsals.

This year, we're thrilled to introduce the Encore Performing Company, an exciting addition to our repertoire. Unlike previous years where all dancers participated in community events, this program elevates the experience. The Performing Company not only dazzles at events like Art Fest and Starlighting but also attends one dance competition, offering a taste of the dance world's competitive edge. Inquire for more details.

Schedules may be different than what is listed here if on a team.
