Tuition Policies

Tuition is drafted automatically on the 1st of each month. Our tuition is averaged over the entire dance season, which means the monthly amount stays the same regardless of whether there are three, four, or five weeks of classes in a month.

Enrollment at Schotime from August-May is on a month-to-month basis. We charge a separate summer enrollment as a one time fee, as summer is often only weeks long with no registration fee if you dance with us Year-Round.

If you need to withdraw, we ask that you complete our withdrawal Form in writing before the 1st of the month. Once tuition has been processed on the 1st, it is non-refundable and cannot be transferred to siblings, friends, camps, or pop-up events. We do not offer freezes or holds on tuition. A dancer's spot in class is only guaranteed when tuition is paid in full.

For dancers who join us mid-month, tuition will be prorated at $19 per class for the number of remaining classes in that month.

A non-refundable $55 registration fee is collected at the time of enrollment. This fee is capped at $75 per family per season. If a dancer takes a break (such as summer or an extended leave) and later returns, the registration fee will be collected again at re-enrollment.

Families can take advantage of our multi-class discount, though we do not offer family tuition discounts.

All tuition must be paid by credit card, and families are responsible for keeping their payment information current. You may update the card on file at any time through your Studio Pro account. A late fee of $25 will be applied if tuition is not received by the 10th of the month.

There are no tuition credits or refunds for holidays, breaks, snow days, or studio closures. We build in 2 weather or emergency studio closure days per Season for each day of the week. If we have to use more than 2 in one Season, we will offer credits or makeup classes.

If your dancer misses a class, they are allowed one make-up per class missed. Make-ups must be completed within one month of the absence and should be at a similar level to your dancer's regular class, though they may be in any style. To schedule a make-up, please email info@schotimedancecenter.com. Make-ups may only be scheduled after the class has been missed. We do not offer make-up classes in May, as all classes are dedicated to Final SchoCase preparation. At that point in the season, switching into a different class does not provide the same benefits to your dancer.
